Frontend Developer Intern | UI/UX Enthusiast | React | WordPress | BCA Final Year

SUMMARY

Final-year BCA student with hands-on experience in frontend development and UI/UX design. Skilled in React, HTML, CSS, and JavaScript, with a passion for building interactive and scalable web applications. Completed multiple freelance and internship projects involving real-world client requirements, SEO optimization, and responsive design. Enthusiastic about learning new technologies, contributing to fast-paced engineering teams, and delivering user-focused digital experiences. Seeking a frontend internship to grow as a developer within an innovation-driven environment.

TECHNICAL SKILLS

- Languages & Frameworks: HTML5, CSS3, JavaScript (ES6+), React, GSAP, .NET (basic)
- Styling & UI: Tailwind CSS, Bootstrap 5, SASS
- CMS & Tools: WordPress, WooCommerce, Elementor, Git, GitHub, Figma, Canva, CapCut
- Other: UI/UX Design, SEO Writing, Responsive Design, Version Control, Animation
